

*Propellants*

AGENDA  
FOR  
PROPELLANTS INFORMATION SEMINAR  
Room 117, Central Building  
2430 E Street, N.W.  
Washington, D.C.

13 - 14 June, 1956

to be  
revised

**13 June 0930 Introduction**

- |           |  |
|-----------|--|
| 0930-1015 | 1. Orientation   |
|           | 2. Criteria for Selection of Liquid Rocket Propellants |
| 1015-1030 | Break  |
| 1030-1200 | <u>Liquid Rocket Propellants</u>                       |
|           | 1. Monopropellants                                     |
|           | 2. Oxidizers   |
|           | 3. Fuels   |
| 1200-1300 | Lunch  |
| 1300-1430 | <u>Liquid Rocket Propellants (continued)</u>           |
|           | 1. Monopropellants                                     |
|           | 2. Oxidizers   |
|           | 3. Fuels   |
| 1430-1530 | <u>Summary</u>   |
|           | 1. Materials of importance                             |
|           | 2. Sources of information                              |
| 1530-1615 | <u>Discussion Period</u>                               |

*This is also  
agreed as  
supplied by  
Col. Brewer*

**14 June**

- |           |  |
|-----------|--|
| 0900-0945 | <u>Solid Propellant Research and Development Program in the U.S.</u> |
| 0945-1015 | <u>Nitrocellulose-type Gun Propellants</u>                           |
| 1015-1030 | Break  |
| 1030-1130 | <u>Composite Propellants</u>   |
| 1130-1200 | <u>Nitrocellulose-type Rocket Propellants</u>                        |
| 1200-1300 | Lunch  |
| 1300-1330 | <u>Manufacturing Processes and Equipment</u>                         |
| 1330-1345 | <u>Igniters, Primers and Sensitive</u>                               |
| 1345-1430 | <u>Some Aspects of Foreign Solid Propellant Technology</u>           |
| 1430-1445 | Break  |
| 1445-1515 | <u>Recent Developments in the Field of Solid Propellants</u>         |
| 1515-1615 | <u>Discussion Period</u>   |
